#### **Meeting Agenda**

Welcome dinner and drinks for senators and executive board start at 6:30 pm.

- I. Call to Order
- II. Discussion about the Diversity and Advocacy Committee
  - Remarks by chair of GPAC, Marina P. Gross
    - i. Backing from the CDI
    - ii. Funding is for educational outreach, not events
    - iii. GPAC does the work of the Diversity committee for the entire graduate and professional body, not just Arts & Sciences
    - iv. Speaker series on diverse topics upcoming
    - v. Question: How is GPAC going to be different than just the committee, are we collaborating?
      - 1. Last year, GPAC was a building year. This year is the growing year. GPAC is going to everybody. Will still have some of the same Diversity committee events.
    - vi. Question: How was the committee working before?
      - 1. Things that the committee did before: Diversity forum (has not happened the last two years), climate survey (CDI is going to take that on), poster campaigns on certain issues (GPAC is doing this also), trans-inclusive classroom posters (GPAC is updating that).
      - 2. GPAC has more continuity.
    - vii. Question: What are the equivalents of our committee in other bodies doing?
      - 1. As far we know, Danforth and Med campus don't have a similar committee. There used to be a diversity council on the Med campus (possibly not existing anymore).
    - viii. Question: Is there a goal of how many times you will get to each department?
      - 1. Not all departments every semester. Goal this year is to get people to know that there is a professional channel for graduate students.
